### PICQUART'S TESTIMONY

Lucid and Convincing Style Was a Tour de Force, Which in a Civil Trial Would Have Meant Acquittal. Emily Crawford's Review of the Proceedings.

THAT no one remedy can contain the elements necessary to cure all diseases, is a fact well known to everyone. Dr. Miles' System of Restorative Remedies consists of seven distinctively different preparations, each for its own purpose.

Mrs. E. C. Bramley, 27 Henry St., St. Catharines, Ontario, writes: "For years I suffered from extreme nervousness and annoying constipation, developing into palpitation and weakness of the heart. I was unable to sleep, suffered much from headache, pain in my left side, palpitation and a constant feeling of weakness and prostration. I began taking Dr. Miles' Nervine, Heart Cure and Nerve and Liver Pills and the Anti-Pain Pills to relieve sudden paroxysms of pain and headache. I soon felt much improved and the pains and aches and weariness left me. I then took Dr. Miles' Restorative Tonic and am now restored to my former good health."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerve free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

## GEN. JIMINEZ TAKEN

Aspirant to the Presidency of Santo Domingo Arrested at Cienfuegos.

### BECAME VERY INDIGNANT

And Declared He Would Yield Only to Force, Which Captain Stammer Informed Him He Was Ready to Use—Much Excitement Over the Arrest—Arrest Ordered From Havana.

Havana, Aug. 19.—In view of the fact that Colonel Bacallao, chief of the secret police, persisted in his declaration that General Juan Isidro Jimenez, the aspirant to the presidency of Santo Domingo, was in Havana, either not having left or having returned, the military authorities telegraphed to Cienfuegos instructing Captain Stammer, collector of customs there, to ascertain whether Jimenez was on the Medenez steamer and to take him under arrest if that should be the case.

Just as the steamer was about leaving Cienfuegos Captain Stammer located Jimenez and arrested him. Jimenez denounced the arrest as an outrage. He said he had broken no law and would not yield except to force. Captain Stammer replied that he was ready to use force if necessary and Jimenez then yielded, remarking that he did so only because he could not help himself.

Senor Frias, mayor of Cienfuegos, refused to make the arrest, claiming that General Jimenez was an old personal friend whom he had known intimately for years. When Jimenez was taken into custody, Senor Frias was found with a police inspector, in close conversation with Jimenez and the latter's secretary. It is believed the mayor was urging him to leave the steamer, to conceal him and to wait for a better opportunity.

Captain Stammer informed Jimenez that he would make him as comfortable as possible, and after Jimenez and his secretary had packed their trunks they were driven, accompanied by the chief of police and Captain Stammer, to the Union hotel, where two bedrooms and a diningroom were placed at their disposal.

General Jimenez will be kept under police charge until further advice is received from the governor general. There is much excitement among the people of Cienfuegos over the arrest. The sentiment is generally expressed that the authorities had no right to arrest Jimenez, an unarmed citizen, going apparently to Santiago de Cuba, and the point is even made that even if he were going to San Domingo he would only be returning to his native country.

Senor Aybar, a representative of Jimenez, left Cienfuegos for Santiago de Cuba last Tuesday, after remaining at the former place 10 days. It is believed he tried to fit out an expedition, as a small schooner was found lying outside the harbor, supposed to be awaiting a cargo of ammunition. Aybar took out clearance papers for Key West several days ago.

Knocked Out by Jack McCormick In One Round at Chicago.

Chicago, Aug. 19.—Jack McCormick of Philadelphia knocked out Kid McCoy in about one minute last night.

The bout was to have been for six rounds and it was generally thought that McCormick stood no show at all.

He said before entering the ring that he was going to do his best and let it go at that. The fight was so short and so quickly over that there was almost nothing to it but the punch that put McCoy to sleep.

The fight was under strict Queensbury rules, hitting with one arm free permitted.

When the gong sounded McCormick started in to rush things, relying on his greater weight and superior strength to offset McCoy's science.

He received a straight left in the month the first time he tried it, and a second later a savage left hook on the side of the head halted him a second time.

He then rushed twice more, carrying McCoy to the ropes both times. The first time he hit McCoy over the kidneys with right.

The second time, as they came from the ropes, still clinched, McCoy freed his left and sent a hook to McCormick's cheek, dropping him to the floor.

McCormick lay quiet, making a pretense of claiming a foul, although none had been committed.

McCormick rose on the order of Referee Hogan with a sheepish grin on his face. The knockdown had not injured him in the slightest. The men squared off once more and then came the end like lightning from a clear sky.

McCoy was moving cautiously around McCormick, both hands low down, neither being as high as the belt.

McCormick suddenly let fly his right and it landed full on the jaw.

McCoy went down like a dead man flat on his back, legs and arms outstretched, his face pointing squarely to the ceiling.

It was evident the instant he struck the floor that his lighting was over for the night at least. Referee Hogan counted off the fatal 10 seconds.

### BRADSTREET

Cheerful Outlook For Fall Trade In Most Parts of the Country.

New York, Aug. 19.—Bradstreet today says: The trade situation gathers strength as summer wanes. Reports of expanding fall demand arrive accompanied by very cheerful advice as to the outlook in most parts of the country.

In manufacturing lines production appears to be at a maximum, and the price situation remains most of its old strength. Notable in the matter of added strength are most of the cereals and iron and steel in many forms.

The impetus given to wheat prices by the government report last week has been further reinforced by less favorable crop advices from other countries notably India, and export business is reported somewhat improved.

Advices as to the corn crop are still as favorable as ever, some states, notably Kansas, reporting phenomenally large yields.

The strength of the cotton goods market is maintained, though advances are few as yet, and here a scarcity of supplies of staple is reported.

In woolen goods orders for light weight men's wear goods continue heavy, and raw wool, though less active, is no less firm and high grades are particularly well held.

The advance in boots and shoes seems to have been felt but little, and the slight gain in leather prices imports a very firm tone to hides. Most staples aside from those mentioned are firm and unchanged on the week.

Lumber still reflects activity in building, and advances at western markets are again reported. Current railroad earnings show little reflection of the falling off in the grain movement and make excellent comparisons with preceding years, and the like is true of net earnings, mentioned elsewhere.

### PLATTSBURG BARRACKS

Troops Reviewed by the President.

Mrs. McKinley's Silk Flag.

Plattsburg, N. Y., Aug. 19.—The cannon on the parade ground at Plattsburg barracks boomed out a presidential salute late yesterday signifying that President McKinley had arrived at the government fortifications where he was to review the Twenty-sixth regiment.

The presidential party drove over from Hotel Champlain and proceeded directly to the reviewing stand.

Mrs. McKinley presented a handsome silk flag to the regiment. Colonel Rice received it in behalf of the men. The flag was then given to the color sergeant of the company who bore it back to his place in the ranks. Then the entire regiment, headed by the regimental band, passed in review before the president.

President McKinley spoke in the highest terms of the soldiers. The regiment will leave for Manila in about two weeks.

### TO INVITE DIAZ

Chicago Committee Arrives at City of Mexico—Yellow Fever.

City of Mexico, Aug. 19.—The Chicago committee to invite President Diaz to that city on the occasion of the laying of the cornerstone of the federal

building has arrived here and will probably present the invitation Monday.

The case of yellow fever observed at Coatzacoalcas was that of a passenger from Vera Cruz. Yellow fever has appeared at Tapa, state of Oaxaca, close to the boundary of the state of Chiapas. Several deaths have occurred. A number of soldiers have died at Juchitan. The fever was introduced into that region from the station at San Jeronimo, on the Tehuantepec Isthmus railway.

### MISCELLANEOUS BRIEFS

A combination of all the principal fish dealers in Florida has been formed with a capital of \$100,000.

Agents of the Dominican revolution are rapidly recruiting expeditions in Santiago province, Cuba.

Charles Ray and J. G. Reasonover fought a duel in the streets of Montgomery, Ala., yesterday. Both men are seriously wounded.

The lord mayor of Ireland has issued an appeal to Irishmen throughout the world for a fund to erect a memorial to Charles Stewart Parnell.

The Delago (La.) Athletic club has offered \$100,000 for a go between Kid McCoy and the winner of the Ryan-McFarr match to occur in that city next month.

Crump Arbogast was shot and killed and Robert Reedy shot through the body at Eldorado, W. Va., by Sheriff Stephenson. They were wanted for robbing freight cars and resisted arrest.

William Swadner and Lewis McCune, molders of Mansfield, O., went fishing at Lakeville last Tuesday and have been missing since. Yesterday their boat was found in the lake bottom up.

President McKinley has not yet decided to re-establish the postoffice at Lake City, S. C., which was discontinued after the colored postmaster was murdered by a mob.

### SATURDAY STORIES.

#### KATYDIDS' WARNING.

Have you stopped to think about it? Or has it occurred to you That this golden, glorious summer Has About Run Through?

Only yesterday it was told me— I could scarce believe it true— When a katydid cried, "Summer Has About Run Through."

I replied: "Tis fabrication!" And I looked about in vain For the reddening of the maple For the haze o'er hill and plain, For a proof of summer's passing As the katydid prophesied. But no sign could I discover Of the coming autumn-tide. Aye! A thousand yellow daisies Lift their faces to the sky, And the golden rod in phalanx Proudly waves their plumes on high: A blush steals thro' the orchard, O'er the grape a purpling hue Yet I see no sign that summer Has About Run Through.

But late last night while listening To a katydid's strident wail Conviction came suddenly o'er me That summer was about to fail. 'Twas an old-fashioned "ager" seized me From out the dark night air And like an earthquake shook me From toes to roots of hair. And now as I lie burning With a fever at 106 From without comes the katydid's warn- ing. "Summer Has About Run Through."

Little Mary, though she goes to Sunday school, has acquired quite a number of swear words. Not from her good and pious papa though—oh, no. They came flowing at the window at the cry of "Any rags to sell." Now Mary had a sore finger which one day grew so painful that she sat down on the floor and deliberately applied all the naughty words she knew to that sore finger. Her mother was astonished and said sorrowfully, "God doesn't love little girls who swear." Mary became silent and thoughtful for a moment but the sore finger kept on hurting. Finally she said with an air of triumph, "Mamma, I believe if God had this sore finger he would swear himself."

Kipling has at last given some evidence that he has knowledge of the existence of literary critics. But his admissions now are of a complaining sort. ONLY a few more days until the beginning of another school year. There is doubtless much preparation yet to be made that concerns both parents and pupils. This should not be neglected for every boy and every girl in the city who expects to go to school at all the coming year should start the first day.

#### A Scott County Boy.

Capt. Russell T. Hazzard, of the 11th cavalry, now in the Philippines, having enlisted in Oregon in 1898, formerly lived in Scott county. He was a son of William Hazzard and went to school three terms to W. R. England of this city. He was an aid on General Wheaton's staff and has performed some hazardous duties. His brother, O. P. Hazzard is serving in the same company and is a corporal.

### GRAVE OF PATRICK HENRY.

Not in Richmond, but in Charlotte, Where He Lived.

Every now and then we see in some newspaper the query, "Where is Patrick Henry buried?" and tourists in Richmond constantly ask to be shown his grave, with the mistaken idea that it is in that city, where much of his public career was passed. Few people comparatively know that the man who acquired the title of "The Tongue of the Revolution" lies in a quiet grave on the estate in Charlotte county where he formerly lived. Over it is a marble slab inscribed with one line, "His fame his best epitaph."

The estate lies on Staunton river, 88 miles from the town of Lynchburg, near the border line which separates Charlotte and Campbell counties. It derived its name of Red Hill from the peculiar color of the soil in that vicinity. When Patrick Henry bought the place, it comprised about 3,500 acres. The land is rich—there was a saying in the neighborhood that poor land and Henry could never be mentioned together—corn grows there as high as a man on horseback; there is a general air of smiling fields and abundant prosperity. Its situation in early times was very remote. Neighbors were few, one of the nearest being the celebrated John Randolph of Roanoke, who lived in his chosen solitude 15 miles away.

Red Hill is now owned by Henry's grandson, William Wirt Henry, a clever, cultivated gentleman of the "old school." He has in his possession some most interesting relics of his celebrated grandfather, including the desk he always used, which still contains his letters from Lafayette, Washington, Madison and other great men of early days; the large, round backed chair in which Patrick Henry died and a portrait of him by the elder Sully, under which hangs a yellowed slip of paper, signed by Chief Justice John Marshall and several others of his friends, testifying to the faithfulness of the likeness.—Philadelphia Press.

#### A Simple Fire Extinguisher.

In German varnish factories an easy way to extinguish a burning pan of oil has been found in the use of a fine meshed wire net. As soon as this covers the burning surface the iron wires conduct off the heat so rapidly that the gases can no longer flame. It is the principle of the Davy safety lamp and might be employed in various ways to extinguish burning gases.

#### The Appetite of a Goat

#### Drink Grain-O.

If ever you have concluded that you ought not to drink coffee. It is not a medicine but doctors order it, because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich seal brown color and taste like the finest grades of coffee and costs about 1/4 as much. Children like it and thrive on it because it is a genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15 and 25c.

The Rev. W. B. Costley, of Stockbridge, while attending to his pastoral duties at Ellenwood, that state, was attacked by cholera morbus. He says "By chance I happened to get hold of a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and I think it was the means of saving my life. It relieved me at once." For sale by C. W. Milhous.

#### The First Anniversary.

It is just a year since the Chicago, Milwaukee & St. Paul road inaugurated its celebrated Pioneer Limited passenger train service between Chicago, Milwaukee, St. Paul and Minneapolis. This service marked the new era in the railroad world in the line of passenger accommodations. At a cost of a quarter of a million dollars that progressive company furnished the traveling public, in its Pioneer Limited train, comforts and facilities the best ever produced. This train has been described many times in newspapers and magazines, but should be seen and examined to be appreciated. In beauty of finish, richness and elegance of furnishing nothing equal to it has ever been attempted by any other road. The car builders were nearly a year in completing the Pioneer Limited trains (there are two—one leaving Chicago for the west and the other leaving the Twin Cities for the east every evening in the year) and they stand today a monument to the builder's art. No regular passenger train service in America is as well known as the Pioneer Limited. From the standpoint of passenger traffic the past twelve months have been the most successful in the history of the St. Paul road, made so very largely by the Pioneer Limited. The patronage of this service is a striking illustration of the fact that the public appreciates a good thing.

Spanish-American War Panorama. Is one of the war books which is likely to be in continuous demand. It is a panoramic record of the triumph of Yankee Doodle. The eagle flaps his wings on every page, and "Old Glory" waves around and above every scene. Prominent officers connected with the war are here portrayed, as well as many of the "men behind the guns." Military life is pictured to the eye from recruiting to guard mount and skirmish line. Nor is the ludicrous omitted. The company cook receives the attention due to his importance the mess is shown; cavalry scenes are given; the hospital arrangements are depicted; the heroines of the Red Cross service are displayed; street scenes in Havana, Santiago and elsewhere are unrolled, the new citizens or subjects (which are they?) of Uncle Sam, appear and disappear as the eaves are turned.

In a word, the gazar visits the new localities and sees the tumultuous new life, without the risk or expense of a sea voyage.

## WINE OF CARDUI.

### WOMEN WHO WORK.

St. Louis, Mo., Aug. 12. Though only 19 years old, I suffered from pains and female troubles two years. Last spring I got so bad I had to quit work. I had to support myself, and could not afford a high priced doctor. I got one bottle of Wine of Cardui and that made me feel better. Have now used several bottles and am well. My mother used the Wine for Change of Life and was greatly relieved.

MISS MARGARET WALSH.

## Wine of Cardui

Many girls and women find it necessary to earn their own living in various kinds of employment. Their work is often so hard and confining that the health breaks down. Their delicate constitutions are unfitted for tiresome tasks. Weakness nearly always makes its appearance in the peculiarly delicate womanly organs. Constant standing on the feet, and coming and going at the beck of a superintendent or foreman, induces falling of the womb, leucorrhoea, headache and backache. The pay of women workers is often so notoriously small that when sickness comes they have no money to engage skillful physicians. To them Wine of Cardui is truly a blessing. It cures them of their ills at a small cost, and they can act as their own physicians. No doctor can do as much for "female troubles" as Wine of Cardui.

SEYMOUR Street Fair—September 25 to 30. Let no one be tardy with his part.

In spite of the rainy season and the "aunties" our soldiers in the Philippines are able to go out and win battles every few days.

EVEN the Baptist associations in Kentucky are against Goebel and are talking right out in meeting.

THE Indianapolis republicans nominate a city ticket today. They are getting in shape to end the reign of Taggart and his ringsters.

How humiliated we Hoosiers are! Kid McCoy was knocked out in less than three minutes last night. Columbus will take it mighty hard for the "Kid" once belonged to their "smoky row" gang.

KENTUCKY politics is getting hotter every day and the source of the heat is just such that Bryan wishes he had not promised to invade the Blue Grass region and repeat that war speech every day for a week.

It is somebody's duty to see that fewer drunken men are on the streets and in the alleys tomorrow than last Sunday. The scene in the alley back of Lauster's new building last Sunday evening was a disgrace and should not be permitted again.

JOHN OVERMYER says Brown county is for him for Congress. He fixed that when he went over to Nashville to make that Fourth of July speech. But he should not be too confident about that for Congressman Griffith will speak at the old settlers meeting at Georgetown September 9. He can do some fixing of things himself.

It seems rather strange that the democrats should ignore the only man they have been able to elect to the presidency in forty years. They never quote from Grover Cleveland in fact they have quit quoting from any democrat this side of Jefferson, and they won't quote all he said. No democrat of recent years is considered authority.
